Second Sunday of Advent

As Advent marks the beginning of a new liturgical year - Year B - we begin our journey through the Gospel according to Mark. Mark's Gospel was, by general scholarly consensus, the earliest of the four Gospel's to be written (about 25-30 yrs after the events they describe) and as such we can perhaps discern in his Gospel more even than the others a very real sense of it being a simple straightforward and genuine eyewitness account of the events as they actually occurred.

Please Pray for...
