Petition your MP: Governments are currently deciding on whether to make permanent the temporary measure allowing home abortions in England, Wales and Scotland. To ensure that politicians are aware of the negative impact of this practice, the All-Party Parliamentary Pro-Life Group will be hosting a parliamentary event on Tuesday 23rd March where experts will cover the latest evidence on how home abortions are placing women at risk. *Right to Life UK* has set up an easy-to-use tool that will enable you to easily contact your MPs asking them to at least become more informed about the issue by attending this event. It only takes 30 seconds! Just enter the address www.righttolife.org.uk/DIYabortionMeeting into your browser
