OPENING UP WITH THE PANDEMIC - As we move forward, we shall soon be introducing some singing into the mass. If anybody has any views on how we move forward, please let Fr Roger know.

IN CASE OF EMERGENCY- in the unlikely event that we need to empty the church in an emergency please make sure you are aware of the fire escape routes. One is located at the entrance door that you will have come through as you entered the church. The second is through the toilet corridor and conference room. The gathering point is on the grass lawn at the side of the church.

PARISH CENSUS. We are in the process of putting together a parish census of all the parishioners that use the church. Access to the records will be limited to a small selection of people and all GDPR rules will be followed. You will find the forms at the back of the church, they need to be handed to Ann Williams, our safeguarding officer, to comply with the data protection rules.

READING AT MASS - have you ever thought about joining the important ministry of reading at mass? We are short of readers on Saturday evening especially but would welcome more on a Sunday too.

GOING INTO HOSPITAL - It is important that you notify the parish or ask to be referred to the relevant catholic chaplain, if you or a member of your family are admitted into hospital. If you ever find yourself in hospital and would like a visit from a Catholic Priest, just ask a nurse on your ward and they should arrange this for you.

and joins himself to his wife,
And they become one body.*
