**Congratulations and well done to everyone at St Hubert's School.** On the 16<sup>th</sup>/17<sup>th</sup> October the Catholic Schools Inspectorate (CSI) conducted an inspection of St Hubert's to evaluate its Catholic Life, Worship and Religious Education and I am pleased to report that the school did extremely well. The final report is available on the School Website (under "Key Information" -> "Inspections"). This inspection comes not long after Ofsted conducted their inspection of the school in January of this year - which also yielded a very good result. The result of the Ofsted inspection can also be found on the School Website.

*Please see below some "edited highlights from the CSI report:*

*"The mission is deeply woven into the daily life of pupils and staff, shaping relationships, curriculum choices, and the wider ethos. The mission statement is not only visible but actively lived out, inspiring a faith-filled, inclusive, and joyful community... Pupils value religious education and understand its relevance to their daily lives. They reflect on the impact of religious belief and make links to CST (Catholic Social Teaching), showing a mature approach to their learning... "Prayer and liturgy are central to school life, shaping its identity and daily rhythm."*
