

If you are intending to come to church for private prayer or for mass, at the times published, please be aware of the following restrictions:

- Unless there is a medical reason that prevents you from wearing one, you will need to bring and wear a face mask or visor

- There will be no toilet facilities available

- The church doors will be locked until 5:00pm (Saturday) and 9:45am (Sunday), so please do not arrive before these times as this will create an unnecessary gathering outside of the church.

- Social distancing will be maintained at all times

- There will be only one votive stand, near the Lady chapel, available for the lighting of votive candles.

- Gatherings around statues (or anywhere within or outside of the church) should be avoided.

- Please do not touch the statues

- Ushers will direct you to your seats to help maintain social distancing and to keep the necessary cleaning down to a minimum.

- If you need a cushion to sit on you will need to bring your own cushion with you (since the church cushions have been removed from the pews).

- There will be a one-way system in operation in the church – again to help maintain social distancing

- A newsletter will be available as you exit the church (to be taken with you).
